

Strategic Support for Critical Missions

When it's time to safeguard America's sensitive data, critical infrastructure and invaluable personnel, you need an experienced team to handle every detail. From intelligence and cybersecurity to vulnerability assessment and mission assurance, Cherokee Nation Strategic Programs (CNSP) provides experience and results. Building on a reputation as a dedicated, disciplined and tightly-knit organization, CNSP supports the Department of Defense and Federal clients in the execution of their critical, strategic and operational programs.
